

# DATO SSD DS700 2.5"

Performance enthusiasts and best user experience, fulfill people in need of speed

## Features:

### High Performance

Max read/write speed: 545MB/435MB

### Superior stability

Use high quality of Nand Flash that is rigorously tested for durability

### World class quality and support

3 years warranty

|                            |                             |
|----------------------------|-----------------------------|
| Capacity                   | 120GB/240GB/480GB/960GB/2TB |
| Form factor                | 2.5" SATAIII (6Gb/s)        |
| Max sequential read speed  | 545MB/s                     |
| Max sequential write speed | 435MB/s                     |
| Storage temperature        | -45°C to 85°C               |
| Working temperature        | 0°C to 70°C                 |
| Dimension                  | 100 x 69 x 7 mm             |
| Warranty                   | 3 years limited warranty    |
